

Our new **RenWeb School Management Software** gives you, the busy parent, an opportunity to get more involved in your child's academic progress and future success – all via the Internet!

RenWeb ParentsWeb is a private and secure website that has been set up for our school to allow you to see complete information specific to your child. You can view your child's grades, attendance, homework and conduct, as well as other useful school information. You can also communicate with teachers and other school staff online whenever necessary. All you need is an Internet-capable computer.

Here's how to access our easy-to-use **RenWeb ParentsWeb**:

- Go to Internet Explorer and type in the address www.renweb.com or select the Renweb button from the evansvilledayschool.org website.
- Click on "ParentsWeb Login" in the red box.
- Log in as follows:
 1. Type in **EDS-IN** for your School ID.
 2. Type in your email address that you provided to the school.
 - Click "New Parent Login" if you have **not logged into RenWeb before**.
 - You will be emailed a new password within 3 minutes (to the email address you typed in, which must be the same email address that you provided to the school).
 - You will need to return to www.renweb.com to login.
 - Now insert the same information as before but use the password that was provided.

- Click on "Homework Summary" or "Gradebook Summary" at the top of the column for each child.
- If for any reason you do not see these options please send an email to: boeth@evansvilledayschool.org

- Please remember this software is new to you as well as to the faculty and staff of EDS and will be an on-going learning experience.

Please email boeth@evansvilledayschool.org if you have any problems or questions.

We look forward to your participation. Together, we can continue to improve our children's academic development as well as communication at school and at home.
