The Friends of Evansville Day School serves as the parent-teacher organization for Evansville Day School. This vital organization, through various fundraising efforts, provides for a variety of school-related activities, supports community efforts, and funds many building and property improvements. Evansville Day School families are strongly encouraged to support the Friends through membership dues, meeting attendance, and volunteerism.

Membership dues are \$20.00 per family. ***If you did not elect the Friends Membership option on your child's enrollment contract*** and would like to be a member, please complete the information below and return this form to us along with your payment. These dues help assist EDS with costs associated with the All-School Picnic, the EDS Fall Festival booth, faculty luncheons, campus beautification efforts, etc.
