**Please purchase only the items included on the list.** Any additional items brought to school will be returned home. Thank you!

**Lockers:** Primary school teachers ask that students **not** bring decorative items for the lockers; for example, gel clings, stickers, magnets, dry erase boards, photographs, hanging lamps, and rugs. While these things are fun for students, they create unnecessary distractions during the school day. Locker shelves will be permitted to help students separate and organize supplies, but any other novelty items will be sent home.
