

FRIENDS OF EVANSVILLE DAY SCHOOL
ROOM PARENT
VOLUNTEERS
FOR 2022-2023

As the year draws to a close, we are asking for 1 to 2 room parents for grades Jr. Pre-Kindergarten to 4th grade.

Room Parents will be asked to help increase communication between the school (Friends and Primary Division) and EDS parents and guardians. Room parents serve as ambassadors of the school by reaching out to welcome new parents to their grade via phone and email. They will also assist by keeping parents and guardians informed of upcoming school events and volunteer opportunities.

Primary School room parents work closely with their child's teacher and may be asked to help arrange class parties, assist as chaperones, etc. They also help coordinate holiday and end of year gifts for teachers.

Being a Room Parent is a wonderful and rewarding way to get involved and connect with the school community. We will have a formal meet up at the start of the new school year to review all the Room Parent information so that everyone is comfortable with the responsibilities.

Thank you for considering this opportunity. To sign up or for more information, please email Robin Renschler at rrenchler@evansvilledayschool.org.

With thanks,

Robin
